

## High Schools Career Exploration Day, April 8, 2011

**A Career Exploration Day is a great introduction to the world of work.**

**You have the opportunity to:**

- Learn about careers you may never have considered before and what it take to prepare for them
- Begin thinking about and planning a career path
- Meet new people (business leaders, entrepreneurs, and employers) and start networking

**What are your plans after high school?**

Technical Training? 2 - Year College? 4 - Year College?

Straight to work? Unsure .....

The businesses participating in the career exploration day want you to learn about their career opportunities and consider them in your educational, training and career plans.

**This table lists the businesses participating, information about each, some of the career opportunities available with them, and a link to their web site. Use this information in deciding which organizations you want to visit at the Career Exploration Day.**
