

INDUSTRY OF THE YEAR AWARD 2023

The Industry of the Year award is an annual recognition by the Roane County Industrial Development Board. To be considered, an industry does not have to be a Chamber Member, however, preferential consideration will be given to Roane Chamber Members in good standing. The nominee should not be a previous winner in the last 10 years. Please see the list of previous winners on the back of this form.

The Industry of the Year nominee should be a manufacturer or distributor of goods and services, and whose customers traditionally are other businesses and on a larger scale of a traditional business. The nominee should have significantly and positively affected the progress of Roane County and its surrounding area through business, professional, educational, community and civic or church affairs through their business or employees. This nominee must be located in Roane County, be non-controversial, and highly respected in their field.

The nomination form must be received by February 16, 2023. Please mail, email or deliver to the Roane Alliance, 1209 N. Kentucky Street, Kingston, 37763 or ldbchair@roanealliance.org to the attention of the Roane County Industrial Development Board. Additional information and pages may be attached with this form.
